Passive Voice

- Verb is directed towards the object and the subject is missing

فَعِلَ

و position gets a ضَمَّة ف

Second to last base letter gets a كَسْرَة

- It is the object whose gender, plurality and person are being reflected by the suffixes
 - He was helped نُصِرَ
 - I was helped نُصِرْتُ

Negative Verbs

- The past tense verb is negated by placing the particle مَا in front of both the active and passive voice patterns

مَا فَعَلَ

مَا فُعِلَ

- Examples:

مَا نَصَرَ He did not help

مَا نُصِرَ He was not helped

Week 3.2

The Imperfect Verb

الفِعْلُ الْمُضَارِع

Definition and Possible Meanings

- Present tense, both simple and continuous, and possibility of future tense
- Examples

	يَنْصُرُ	يُنْصَرُ
simple	He helps	He is helped
continuous	He is helping	He is being helped
future	He will help	He will be helped

Construction of the مُضَارِع

- The imperfect verb has suffixes and prefixes
- Prefix is one of the four letters of أتين

ي ت أ ن

Construction of the مُضَارِع

- Five conjugations will have no suffix
- The remaining nine conjugations are in four groups

4	اِنْ
2	وُنْ
2	نْ
1	يُنْ

Step 1: Attach the Prefix

- On all 14 conjugations, attach one of the 4 letters أتين before the [fa] and make the [fa] *saakin*

Conjugation #	prefix
1, 2, 3, 6	ي
4, 5, 7-12	ت
13	أ
14	ن

- Isolating the prefix, it will sound like:

يَفْ، يَفْ، تَفْ، تَفْ، يَفْ، تَفْ، تَفْ، تَفْ، تَفْ، تَفْ، أَفْ، نَفْ

Step 2: The Five 'Singulars'

- Five conjugations will not have a suffix
- The ُ position will be vowelised with a *dhamma* (instead of a *fatha* like in the مَاضِي table)

Conjugation #	
1	يَفْعَلُ
4, 7	تَفْعَلُ
13	أَفْعَلُ
14	نَفْعَلُ

Person	Gender	Plurality	English	Arabic	#

1st	Masculine/Feminine	Singular	I	أَفْعَلُ	13
		Plural	We	نَفْعَلُ	14

Construction of the Passive Voice

- Change the vowelling of the second to last letter to fatha if its not already fatha
- Give the مضارع prefix a dhamma

It is opened / being opened / will be opened

I am hit / being hit / will be hit

We are helped / being helped / will be helped

Negative Tenses

- Adding the particle لَا to the beginning of both the active and passive voice conjugations of this verb will make them negative

لَا يَنْصُرُ

He does not help
He is not helping
He will not help

لَا يُنْصَرُ

He is not helped
He is not being helped
He will not be helped
